

## Why all the changes..?

Periodically, LADDS is updated to incorporate new or revised data elements or procedures. These changes help us comply with State and Federal data reporting requirements that, in turn, ensure continued program funding. In addition, many of the updates make LADDS more user-friendly and efficient.

## NEW DATA ELEMENTS -Term Detail Report

New data elements have been added to the Term Detail Report.

**You can now see the Reasons for Termination listed in the Term Detail Report. The report captures data for each Region and Facility and provides a Regional Rollup at the end of the report.**
